## The Luther Bible of 1534

### Bible stories: Martin Luther's revolutionary publication

Martin Luther's Bible, first printed in 1534, was not only a milestone for the printing press, but also a **momentous event in world history**. A **UNESCO world heritage masterpiece**, Luther's translation from Hebrew and ancient Greek into German made the Bible accessible to laypeople for the first time and gave **printed reference to a whole new branch of Christian faith**: Protestantism.

In this meticulous two-volume reprint, TASCHEN presents both the Old and New Testaments of Luther's landmark publication. Based on a precious copy of the original and printed in color, it reveals the **multilayered splendor of this bible**, showcasing the **meticulous script, elaborate initials, and exquisite color woodcuts from the workshop of Lucas Cranach**.

Stephan Füssel, director of the Institute for Book Sciences at the Johannes Gutenberg University in Mainz, adds his expertise to the publication with **detailed descriptions** of the illustrations, as well as an introduction exploring Luther's life and the seismic significance of his bible.
