The attempt to deconstruct the Textus Receptus of the Reformation which underlies the King James Version of the Holy Bible has been aided by the many Greek syntax and grammar texts which have imbibed Textual Criticism and have thus passed it on to students through the years. And as the battle of these times is on the Verbal and Plenary Preservation of the inspired words in the original languages, the time has come to revisit and revise the Greek syntax and grammar books and rid them of this leaven. The purpose of the material presented here is to better equip people with the ability to discover many of the hidden riches in the Word of God with the presupposition of a present, perfect, tangible, inspired and preserved text in the original languages.
