Don Perry Produced The Music: My Journey Through The Golden Age Of Rock and Roll

Don Perry

Don Perry Produced The Music: My Journey Through The Golden Age Of Rock and Roll Don Perry Don Perry was an "eye-witness" to the birth of Rock and Roll. When Elvis Presley arrived, Rock and Roll exploded and Don knew he wanted to be a part of it. In 1963, he sold his car and armed with enough money to last six months, headed to Hollywood to become a Rock star. Surely that would be enough time. That six months stretched to nearly thirty years and as Rock evolved and changed, so did Don's career. "Don Perry Produced The Music" traces his journey as a singer/songwriter, recording engineer, record producer, manager, concert promoter and finally, music supervisor for film and TV. It also traces the golden years of Rock and Roll and how they shaped every step of the way.
