Hidden Heresy: Is Spiritualism Invading Adventist Churches Today? Tom Mostert

Spiritualism influencing the Adventist Church? How could something so foreign to the very heart of Adventism possibly gain entry into this church? That just isn't possible! Or is it?

Author Thomas Mostert, president of the Pacific Union Conference of Seventh-day Adventists, looks at some current trends in popular churches-trends and methodologies that are being eagerly embraced in Adventism-and raises some red-flag concerns.

Using statements from the Spirit of Prophecy, the author probes the mega/giga church movements - its leaders, philosophies, and articles of faith - and draws conclusions that may startle you. Whether you agree with those conclusions or not, after reading *Hidden Heresy?* you will surely be more informed as to the veiled nature of spiritualism in the great controversy, and its present and future influence in the churches.
