## **Special Delivery** Heidi Cullinan

When your deepest, darkest fantasy shows up, get on board. Special Delivery, Book 1 Sam Keller knows he'll never find the excitement he craves in Middleton, Iowa-not while he's busting his ass in nursing school and paying rent by slaving away in a pharmacy stockroom. Then Sam meets Mitch Tedsoe, an independent, long-haul trucker who makes a delivery to a shop across the alley. Innocent flirting quickly leads to a fling, and when Mitch offers to take him on a road trip west, Sam jumps at the chance for adventure. Mitch is sexy, funny and friendly, but once they embark on their journey, something changes. One minute he's the star of Sam's every X-rated fantasy, the next he's almost too much a perfect gentleman. And when they hit the Las Vegas city limit, Sam has a name to pin on Mitch's malady: Randy. For better or for worse, Sam grapples with the meaning of friendship, letting go, growing up-even the meaning of love-because no matter how far he travels, eventually all roads lead home. Warning: This story contains trucker fantasies, threesomes and kinky consensual sex.

#### **Floyd Brown:**

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Special Delivery can make you feel more interested to read.
