To Come and Go Like Magic Katie Pickard Fawcett

Twelve-year-old Chili Sue Mahoney has never been outside of her small Appalachian town. Momma says Mercy Hill, Kentucky, is her “true home,” but Chili longs to see the world—to have the freedom to leave and to explore.

So when Miss Matlock is brought in as the 7th grade substitute teacher, Chili and her classmate Willie Bright are thrilled. Everyone knows Miss Matlock has traveled around the globe. Why she’s come back to her childhood home after all this time is a mystery, but Chili and Willie are eager to befriend her despite the rumors. As the three spend time together, Chili learns about the jungles and deserts and cities of the world. But she also discovers that there’s more to Mercy Hill than she thought: beauty, in the people and places she’s known all her life, and secrets, sometimes where they’re least expected.

Told in vignettes and set in 1970s Appalachia, *To Come and Go Like Magic* is a heartwarming and hopeful debut novel about family, friendship, and the meaning of home.

From the Hardcover edition.

From reader reviews:

Anthony Harrison:

What do you with regards to book? It is not important to you? Or just adding material when you require something to explain what your own problem? How about your spare time? Or are you busy man? If you don't have spare time to perform others business, it is make you feel bored faster. And you have free time? What did you do? Everyone has many questions above. They have to answer that question since just their can do that. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need that To Come and Go Like Magic to read.

Alfred Stevens:

Do you among people who can't read pleasant if the sentence chained inside straightway, hold on guys this aren't like that. This To Come and Go Like Magic book is readable by simply you who hate the straight word style. You will find the information here are arrange for enjoyable reading through experience without leaving perhaps decrease the knowledge that want to give to you. The writer regarding To Come and Go Like Magic content conveys the idea easily to understand by lots of people. The printed and e-book are not different in the content but it just different available as it. So , do you nonetheless thinking To Come and Go Like Magic is not loveable to be your top listing reading book?

Catherine Estey:

Reading a book tends to be new life style within this era globalization. With studying you can get a lot of information that could give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. A great deal of author can inspire their very own reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on earth always try to improve their ability in writing, they also doing some research before they write on their book. One of them is this To Come and Go Like Magic.

Erick Graf:

A lot of e-book has printed but it is different. You can get it by world wide web on social media. You can choose the best book for you, science, amusing, novel, or whatever by searching from it. It is known as of book To Come and Go Like Magic. You can add your knowledge by it. Without departing the printed book, it could possibly add your knowledge and make you happier to read. It is most essential that, you must aware about book. It can bring you from one destination for a other place.
