Exclusivity: Economia e Politica spiegate in modo semplice (Italian Edition) Fabrizio V. Catullo

L'economia è una materia semplice. E la Politica lo è di conseguenza.

In fondo essa ha origine dalla vita di tutti i giorni, dal valore che noi diamo alle cose che usiamo ed alle azioni che compiamo. Quindi chi può capire l'economia e la politica meglio di noi stessi? L'unica cosa che magari ci manca è organizzare quello che già sappiamo in modo organico e logico affinché ci appaia chiaro il quadro complessivo.

E' questo ciò che l'autore fa in questo libro: organizzare in modo logico le conoscenze che già in fondo ciascuno di noi ha, svelando così il disegno completo ed aprendo quindi una nuova "visuale" stavolta finalmente più comprensibile. A volte la verità è facile da vedere, è davanti ai nostri occhi, ma non la cogliamo perché concentriamo il nostro sguardo solo su un pezzettino del quadro.

Questo testo è anche quindi un vero e proprio manuale per le nuove leve della Politica in quanto sintetizza con semplicità e chiarezza tutte le possibili strategie politiche ed economiche che un Governante può adottare.

Nella seconda parte, invece, vengono analizzati nel dettaglio in modo più formale e matematico alcuni aspetti della teoria generale, così da soddisfare anche gli economisti che amano comunque trattare maggiormente con le formule matematiche e gli approcci formali.
