Mother Daughter Wisdom Christiane Northrup

With such groundbreaking bestsellers as *Women's Bodies*, *Women's Wisdom* and *The Wisdom of Menopause*, Dr. Christiane Northrup is one of today's most trusted and visionary medical experts. Now she presents her most profound and revolutionary approach to women's health. . . .The mother-daughter relationship sets the stage for our state of health and well-being for our entire lives. Because our mothers are our first and most powerful female role models, our most deeply ingrained beliefs about ourselves as women come from them. And our behavior in relationships—with food, with our children, with our mates, and with ourselves—is a reflection of those beliefs. Once we understand our mother-daughter bonds, we can rebuild our own health, whatever our age, and create a lasting positive legacy for the next generation. *Mother-Daughter Wisdom* introduces an entirely new map of female development, exploring the “five facets of feminine power,” which range from the basics of physical self-care to the discovery of passion and purpose in life. This blueprint allows any woman—whether or not she has children—to repair the gaps in her own upbringing and create a better adult relationship with her mother. If she has her own daughter, it will help her be the mother she has always wanted to be. Written with warmth, enthusiasm, and rare intelligence, *Mother-Daughter Wisdom* is an indispensable book destined to change lives and become essential reading for all women.
