**Murder at Moot Point (The Charlie Greene Mysteries Book 1)** Marlys Millhiser

**Hollywood agent Charlie Greene gets tangled up in a world of holistic intervention, out-of-body experiences, and murder in this thrilling paranormal mystery**

Hollywood literary agent and single mother Charlie Greene heads out of town to fog-bound Moot Point, Oregon, to meet a client, reclusive New Age author Jack Monroe. But Charlie barely has time to sample a veggie meal and bond with Jack's bronze Buddha statue before she runs into trouble: Local gossip Georgette Glick and her Schwinn bicycle have just been found under the wheels of Charlie's Toyota—which makes Charlie the prime suspect in Georgette's murder.

Luckily, Moot Point sheriff Bennett discovers that Glick was shot, not run over, so Charlie is in the clear. But there are still too many unanswered questions. Who delivered the fatal bullet to Glick's head? And why was the seventy-eight-year-old riding her bike on a night with zero visibility in the first place? Alongside Sheriff Bennett, whose interest in Charlie seems decidedly more than professional, she resolves to find the murderer among the town's eccentrics, who include the suspiciously nongrieving widower, a holistic veterinarian, the victim's terrified neighbor, and a Byronic artist whose painting of a century-old local shipwreck matches the one in Charlie's recent nightmares. With the killer still at large, Charlie may be tempting an out-of-body experience of her own in this quirky and suspenseful novel.
