The Cathedral of the World: A Universalist Theology Forrest Church

On September 24, 2009, Forrest Church succumbed to a three-year battle against esophageal cancer. As his final gift, the beloved minister and acclaimed author wrote one last book, leaving behind a clear statement of his universalist theology and liberal faith. *The Cathedral of the World* draws from the entire span of Church's life's work, recasting public addresses and adapted book chapters, articles, and several previously unpublished pieces into a single argument. Giving new voice to the power of liberal religion, Church invites all seekers to enter the Cathedral of the World, home to many windows but only one Light.
