Color is available to everyone -- it is the most exciting, most powerful, and easiest-to-use decorating tool. Wonderfully versatile, it can be introduced into a room in an infinite number of ways, from paint and fabric to decorating details such as wallpaper; rugs, art, and collections. With this in mind, the editors of *Country Living* invite you to take a look at color at its country best.

True Colors presents natural and pastel colors, two muted color families with the ability to enliven rooms with refreshing delicacy; then explores four bold and brilliant hues -- yellow, red, blue, and green -- that always lend vibrancy and drama to any space. The contributions that paint, fabric, and decorating details can make are detailed, proving what a vital tool for self-expression color can be.
