**Demografia dos povos indígenas no Brasil (Portuguese Edition)** Heloísa Pagliaro, Marta Maria Azevedo, Ricardo Ventura Santos

Esta obra de caráter interdisciplinar reúne estudos atuais sobre a demografia indígena no Brasil. O fato de ser interdisciplinar é enriquecedor, uma vez que admite a necessidade de diálogo e correlação entre os diferentes campos do saber, como a demografia, a antropologia e a epidemiologia, que tratam de um assunto para dizer no mínimo desconhecido da maioria da população leiga: onde estão e quem são os índios do Brasil? É a partir dessa tentativa de diálogo que os autores procuraram reunir nesta obra artigos que versam sobre diferentes temas como fecundidade, comportamento reprodutivo e mortalidade de populações indígenas.
