Durs Grünbein (de Gruyter Textbook) (Volume 2)

Durs Grünbein (de Gruyter Textbook) (Volume 2)

Durs Grunbein is the most significant poet and essayist in German today. No other modern German poet has written from such an emphatically European and global perspective, and this volume seeks to present the poet and his work to the English-speaking world in all their significance and breadth. Written by a line-up of international scholars and critics, the volume offers highly readable and wide-ranging essays on Grunbein s substantial uvre, complemented by specially commissioned material and an interview with the poet. It covers the German and European traditions, and engages with Grunbein s works in the context of a number of relevant topics, such as memory, urban life, mortality, love, and presence; it also probes Grunbein s sustained dialogue with the natural sciences and the visual arts."
