Medicines for Mental Health: The Ultimate Guide to Psychiatric Medication Kevin Thompson PhD

A finalist in the National Indie Excellence 2008 book awards, this book was written for anyone who suffers from sexual dysfunction, depression, bipolar disorder, or schizophrenia (or cares for someone who does).

Medicines for Mental Health is the first book to provide detailed and readable information about all psychiatric medications, and other medical treatments, for these mental illnesses. Medicines cuts through jargon, demystifies mental illness, and explains how treatments work. It goes beyond current fads to cover important medications you need to know about, including many that will be new to your doctor.
