The Last Letters of Thomas More Thomas More

Written from the Tower of London, these letters of Thomas More still speak powerfully today.

In the spring of 1534, Thomas More was taken to the Tower of London, and after fourteen months in prison, the brilliant author of *UTOPIA*, friend of Erasmus and the humanities, and former Lord Chancellor of England was beheaded on Tower Hill. Yet More wrote some of his best works as a prisoner, including a set of historically and religiously important letters.

The Last Letters of Thomas More is a superb new edition of More's prison correspondence, introduced and fully annotated for contemporary readers by Alvaro de Silva. Based on the critical edition of More's correspondence, this volume begins with letters penned by More to Cromwell and Henry VIII in February 1534 and ends with More's last words to his daughter, Margaret Roper, on the eve of his execution. More writes on a host of topics--prayer and penance, the right use of riches and power, the joys of heaven, psychological depression and suicidal temptations, the moral compromises of those who imprisoned him, and much more.

Valuable to a range of readers, this volume records the clarity of More's conscience and his readiness to die for the integrity of his religious faith. It also throws light on the literary works that More wrote during the same period and on the religious and political conditions of Tudor England. Gripping reading awaits those who delve into these pages.
