Battle Hymn of China

Agnes Smedley

Battle Hymn of China Agnes Smedley

The story of Agnes Smedley who for 12 years lived at the front with the guerilla and national armies, sharing in epic struggle of the revolutionary Eighth and Fourth Route armies...Four years which were filled with incredible experiences of conflict and corruption, of almost unbelievable courage and devotion on the part of the great mass of the Chinese. Battle Hymn of China is rich in vivid portraits and arresting scenes: Revolutionary generals learning to dance, with Miss Smedley as their instructor; the Yangtze under fire; slow death in the medieval hospitals; Hong Kong in its final moments. As fierce in its hatred as in its compassion, militantly outspoken, this is without doubt one of the most remarkable books on modern China
