Madam Chief Justice: Jean Hoefler Toal of South Carolina

In *Madam Chief Justice*, editors W. Lewis Burke Jr. and Joan P. Assey chronicle the remarkable career of Jean Hoefler Toal, South Carolina's first female Supreme Court Chief Justice. As a lawyer, legislator, and judge, Toal is one of the most accomplished women in South Carolina history. In this volume, contributors, including two United States Supreme Court Justices, federal and state judges, state leaders, historians, legal scholars, leading attorneys, family, and friends, provide analysis, perspective, and biographical information about the life and career of this dynamic leader and her role in shaping South Carolina.

Growing up in Columbia during the 1950s and 60s, Jean Hoefler was a youthful witness to the civil rights movement in the state and nation. Observing the state's premier civil rights lawyer Matthew J. Perry Jr. in court encouraged her to attend law school, where she met her husband, Bill Toal. When she was admitted to the South Carolina Bar in 1968, fewer than one hundred women had been admitted in the state's history. From then forward she was both a leader and a role model. As a lawyer she excelled in trial and appellate work and won major victories on behalf of Native Americans and women. In 1975, Toal was elected to the South Carolina House of Representatives and despite her age and gender quickly became one of the most respected members of that body. During her fourteen years as a House member, Toal promoted major legislation on many issues including constitutional law, criminal law, utilities regulation, local government, state appropriations, workers compensation, and freedom of information.

In 1988, Toal was sworn in as the first female justice on the Supreme Court of South Carolina, where she made her mark through her preparation and insight. She was elected Chief Justice in 2000, becoming the first woman ever to hold the highest position in the state's judiciary. As Chief Justice, Toal not only modernized her court, but also the state's judicial system. As Toal's two daughters write in their chapter, the traits their mother brings to her professional life--exuberance, determination, and loyalty--are the same traits she demonstrates in her personal and family life. As a child, Toal loved roller skating in the lobby of the post office, a historic building that now serves as the Supreme Court of South Carolina. From a child in Columbia to Madam Chief Justice, her story comes full circle in this compelling account of her life and influence.

Madam Chief Justice features a foreword by Sandra Day O'Connor, retired associate justice of the United States Supreme Court, and an introduction by Ruth Bader Ginsburg, an associate justice of the United States Supreme Court.
