The Jewish Gospel of John: Discovering Jesus, King of All Israel

Eli Lizorkin-Eyzenberg

The Jewish Gospel of John: Discovering Jesus, King of All Israel Eli Lizorkin-Eyzenberg

The Jewish Gospel of John is not, by any standard, another book on Jesus of Nazareth written from a Jewish perspective. It is an invitation to the listener to put aside their traditional understanding of the Gospel of John and to replace it with another one more faithful to the original text perspective. The Jesus that will emerge will provoke you to rethink most of what you knew about this gospel.

The book is a well-rounded, verse-by-verse rethinking of the fourth gospel. Here is the catch: Instead of treating it as if it was written for 21st-century Gentile Christians, the book interprets it as if it was written for the first-century peoples of ancient Israel.

The book proves what Krister Stendahl stated long time ago: "Our vision is often more abstracted by what we think we know than by our lack of knowledge." Other than challenging the long-held interpretations of well-known stories, the author, with the skill of an experienced tour guide, puts us in the place of those who most probably heard this gospel read in the late first century. Such exploration of a variety of important contexts allows us to recover for our generation the true riches of this marvelous Judean gospel.
