The X's and O's behind the Eagles' most memorable moments

In a series that explores the logic-defying comebacks and tough losses, the dramatic interceptions, fumbles, game-winning field goals, and touchdowns that shape a fan's greatest memories of their beloved team, this book does not disappoint as the ultimate collector's item for Eagles fans. It chronicles the most famous moments in Eagles football history, including the fourth-and-26 conversion that stunned the Packers in the 2003 playoffs, Eric Allen's weaving 94-yard dash interception return against the Jets, and what actually happened between Chuck Bednarik and Jim Taylor in the final seconds of the 1960 NFL Championship Game. The descriptions of each play are accompanied with game information and quotes from participants, players, and observers with firsthand accounts.
