The Prada Plan 2: Leah's Story Ashley Antoinette

Ashley Antoinette (of Ashley & JaQuavis fame) steps out on her own once again with the next installment of her scandalously sexy Prada Plan series! Infamous bad girl Leah Richards may have lost Indie to YaYa, but that doesn't mean she's out of the game. You can't cross a woman like Leah and not expect there to be consequences—and that's just what Indie and YaYa are about to face when Leah captures and kidnaps the couple's baby girl, Skylar. This is no ordinary game of cat and mouse. Everyone knows that Leah is nuts and there are no limits to what she will do to get her revenge. Now YaYa's world is falling apart as she and Indie desperately search for their daughter, praying she's still alive. YaYa thought her street days were behind her, but now that the old demons have surfaced, she'll need a new plan to come out on top. But when all truths turn out to be lies, it's almost too much to take. Will Leah really kill baby Skylar? Can Indie hold on to his reign over Houston without falling victim to the game? And as long as Leah lives, is there any hope of Indie and YaYa and Skylar living happily ever after? All these questions and more will be answered in this heartpounding sequel!
