The Tibetan Book of the Dead (Book and Audio-CD Set)

The Tibetan Book of the Dead (Book and Audio-CD Set)

In this classic scripture of Tibetan Buddhism—traditionally read aloud to the dying to help them attain liberation—death and rebirth are seen as a process that provides an opportunity to recognize the true nature of mind.

This book-and-audio set offers a new way to encounter the profound meaning of this sacred text. The package contains a complete edition of *The Tibetan Book of the Dead* with an introduction by Francesca Fremantle and insightful commentary by Chögyam Trungpa, written in clear concise language, that explains the text and offers a psychological perspective on its teachings.

Also included here is a set of three audio CDs with an introduction by Fremantle and a translation of *The Tibetan Book of the Dead*, both read by the actor Richard Gere.

3 CDs, with a 192-page book
