Voodoo Child Wayne Simmons, Andre Duza

You've been warned! Stay away from Blackwater, Louisiana. Behind the smiles and the southern hospitality lies a dark secret. You've been warned! Don't go in the woods. They're haunted. You've been warned! Don't go in the lake. There's a dead witch beneath those waters. Lori Sawyer was raised in these parts. The biracial descendant of a Voodoo Priestess, she's known as "witchy girl" to her friends, Abby and Roxy. But to Lori, Blackwater is a sacred place, a crossroads of old southern, African, and French spirituality to be celebrated, not feared. In fact, it's just the sort of environment to help free Abby from the memory of witnessing her boyfriend's murder. And from the guilt of having killed him. In 1985 three friends will embark on a weekend getaway that will change their lives forever. "Duza and Simmons have succeeded WILDLY in re-creating a classic horror flick from the '80s - on the page! And if anyone knows about '80s horror... it's me." - Steve Johnson, Special FX Legend *The Howling*, *An American Werewolf in London*, *Big Trouble in Little China*, *Ghostbusters* "The literary equivalent of the classic horror films of the '80s" - Harry Manfredini, Film Composer *Friday the 13th* films, *Swamp Thing*, *The Hills Have Eyes 2*, *Wishmaster*

From reader reviews:

Raymond Roth:

Why? Because this Voodoo Child is an unordinary book that the inside of the guide waiting for you to snap this but latter it will shock you with the secret it inside. Reading this book adjacent to it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining method but still convey the meaning fully. So , it is good for you because of not hesitating having this any longer or you going to regret it. This phenomenal book will give you a lot of rewards than the other book have got such as help improving your expertise and your critical thinking method. So , still want to hold off having that book? If I were being you I will go to the book store hurriedly.

Linda Brown:

Voodoo Child can be one of your beginner books that are good idea. We all recommend that straight away because this e-book has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining but nevertheless delivering the information. The writer giving his/her effort to get every word into delight arrangement in writing Voodoo Child however doesn't forget the main level, giving the reader the hottest and also based confirm resource data that maybe you can be one among it. This great information may drawn you into brand new stage of crucial pondering.

Ollie Nadeau:

Can you one of the book lovers? If yes, do you ever feeling doubt when you are in the book store? Make an effort to pick one book that you find out the inside because don't determine book by its handle may doesn't work this is difficult job because you are frightened that the inside maybe not since fantastic as in the outside search likes. Maybe you answer may be Voodoo Child why because the amazing cover that make you consider in regards to the content will not disappoint you actually. The inside or content is fantastic as the outside or cover. Your reading sixth sense will directly show you to pick up this book.

Suzanne Palmer:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's internal or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Voodoo Child can make you experience more interested to read.
