Concise Introduction to EU Private International Law Michael Bogdan

This book is an introduction to the rules of private international law belonging to the legal system of the European Union - more specifically to its core, the law of the European Community. The book provides legal practitioners with an overview of this highly complex field of law and can serve as an introductory textbook in elective undergraduate courses and master programs offered today by many law schools. Concise Introduction to EU Private International Law is also useful as a spring-board towards more profound studies of statutory texts, case law, and legal literature.
