FORCE: Drawing Human Anatomy (Force Drawing Series) Mike Mattesi

Form follows function. Function is FORCE.

Capture the FORCE in your characters with this comprehensive guide to anatomy for animation. While most resources out there take the memorization approach, *FORCE: Anatomy for Animators* illustrates the function of human anatomy, rather than just addressing muscles, joints, and their locations. Written with infectious enthusiasm and packed with thoroughly demonstrated examples, *FORCE: Anatomy* will show you how to use straight and curved lines to show the direction and role of FORCE in the human body. Each part of the body is broken down into FORCE, form, shape, and anatomy, allowing you to see the design process from different angles. Special consideration is given to anatomy for animation, allowing you to create a character that is anatomically accurate in both stillness and motion.

- Detailed visual instruction includes colourful, step-by-step diagrams that allow you to easily follow the construction of an anatomically correct figure.
- Learn how anatomy is drawn and defined by the function of a pose.
- Visit the companion website for drawing demonstrations and further resources on anatomy.

From reader reviews:

Roberta Petty:

What do you ponder on book? It is just for students since they're still students or this for all people in the world, what best subject for that? Simply you can be answered for that concern above. Every person has diverse personality and hobby for each other. Don't to be obligated someone or something that they don't need do that. You must know how great and important the book FORCE: Drawing Human Anatomy (Force Drawing Series). All type of book are you able to see on many options. You can look for the internet resources or other social media.

Bert Martinez:

Here thing why this kind of FORCE: Drawing Human Anatomy (Force Drawing Series) are different and trusted to be yours. First of all reading a book is good but it really depends in the content of it which is the content is as scrumptious as food or not. FORCE: Drawing Human Anatomy (Force Drawing Series) giving you information deeper and different ways, you can find any book out there but there is no guide that similar with FORCE: Drawing Human Anatomy (Force Drawing Series). It gives you thrill examining journey, its open up your current eyes about the thing which happened in the world which is might be can be happened around you. You can bring everywhere like in playground, café, or even in your method home by train. Should you be having difficulties in bringing the paper book maybe the form of FORCE: Drawing Human Anatomy (Force Drawing Series) in e-book can be your alternative.

Gordon Miller:

Nowadays reading books be than want or need but also get a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want really feel happy read one with theme for entertaining such as comic or novel. The actual FORCE: Drawing Human Anatomy (Force Drawing Series) is kind of book which is giving the reader unforeseen experience.

Rose Heck:

Why? Because this FORCE: Drawing Human Anatomy (Force Drawing Series) is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will jolt you with the secret that inside. Reading this book close to it was fantastic author who have write the book in such incredible way makes the content inside of easier to understand, entertaining means but still convey the meaning fully. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of benefits than the other book include such as help improving your proficiency and your critical thinking method. So , still want to delay having that book? If I ended up you I will go to the guide store hurriedly.
