The Finder: A Novel Colin Harrison

There's no doubt about it: Colin Harrison is a master storyteller. Critics and readers love his gripping, dark books. It's hard *not* to get sucked into his world. *Entertainment Weekly* calls him the "class act of the urban thriller," Michiko Kakutani of *The New York Times* lauds him as "a master of mood and atmosphere," and *Publishers Weekly* crowns that Harrison writes "like an angel."

Now the author of *The Havana Room*, *Afterburn*, and *Manhattan Nocturne* raises the stakes with an electrifying new thriller, *The Finder*. Harrison spins the story of a young, beautiful, secretive Chinese woman, Jin-Li, who gets involved in a brilliant scheme to steal valuable information from corporations in New York City. When the plan is discovered by powerful New Yorkers who stand to lose enormous sums of money, Jin-Li goes on the run. Meanwhile, her former lover, Ray Grant, a man who was out of the country for years but has recently returned, is caught up in the search for her. Ray has not been forthcoming to Jin-Li about why he left New York or what he was doing overseas, but his training and strengths will be put to the ultimate test against those who are unmerciful in their desire to regain a fortune lost. Ray is going to have to find Jin-Li, and he is going to have to find her fast.

From reader reviews:

Louise Schmidt:

Reading a guide tends to be new life style on this era globalization. With reading you can get a lot of information that can give you benefit in your life. Having book everyone in this world can easily share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their own reader with their story or perhaps their experience. Not only the storyline that share in the books. But also they write about advantage about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their talent in writing, they also doing some exploration before they write with their book. One of them is this The Finder: A Novel.

Nettie Powers:

Playing with family within a park, coming to see the marine world or hanging out with pals is thing that usually you may have done when you have spare time, in that case why you don't try thing that really opposite from that. One activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love The Finder: A Novel, it is possible to enjoy both. It is very good combination right, you still wish to miss it? What kind of hang-out type is it? Oh seriously its mind hangout guys. What? Still don't buy it, oh come on its called reading friends.

Bessie Hall:

This The Finder: A Novel is great publication for you because the content which can be full of information for you who else always deal with world and still have to make decision every minute. This kind of book reveal it information accurately using great coordinate word or we can say no rambling sentences included. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with wonderful delivering sentences. Having The Finder: A Novel in your hand like keeping the world in your arm, data in it is not ridiculous 1. We can say that no guide that offer you world in ten or fifteen tiny right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

Lorraine Stark:

Don't be worry when you are afraid that this book will certainly filled the space in your house, you could have it in e-book way, more simple and reachable. This particular The Finder: A Novel can give you a lot of close friends because by you taking a look at this one book you have thing that they don't and make you more like an interesting person. This particular book can be one of one step for you to get success. This guide offer you information that possibly your friend doesn't learn, by knowing more than other make you to be great folks. So , why hesitate? We should have The Finder: A Novel.
