## **Canada's Yukon & South Central Alaska Cruise Tour Guide : History, Native Culture, Color Maps of Cruise Routes & Roads** Coastal Cruise Tour Guides

The Yukon and South Central Alaska guide has seven large-scale color maps that include Prince William Sound and Denali National Park. This guide is designed for cruises and tours that extend beyond the Inside Passage into the heart of Alaska and the Yukon. Color maps of the Glacier Route from Yakutat to the Katmai region fold out to over 4 feet long and include the Kenai Peninsula and Kodiak Island. Interior maps of Alaska, Canada's Yukon and the Arctic region show road systems and points-of-interest.

The text examines native cultures, Russian exploration, the Klondike goldrush. Information on cities and towns, glaciers, national parks, land and sea mammals including whales, and many other subjects are presented along with color photos and drawings.
