**El Cartel: La inminente invasion de la guerra de la droga de Mexico (Actualidad) (Spanish Edition)**

Sylvia Longmire

**¡LA INMINENTE INVASIÓN DE LA GUERRA DE LA DROGA DE MÉXICO!**

Tras haber observado los carteles mexicanos de la droga durante años, la experta en seguridad fronteriza Sylvia Longmire nos conduce a lo más profundo de ese mundo para ser testigos de una peligrosa subcultura clandestina que hará lo que sea necesario para proveer drogas a un bien dispuesto público de consumidores estadounidenses.

Los carteles han crecido cada vez más en los últimos años, construyendo submarinos que suben por las costas de América Central y excavando complicados túneles por los que transportan drogas hacia el norte y por donde llevan de vuelta dinero en efectivo y armas largas de gran potencia fabricadas en Estados Unidos para fomentar la guerra del narcotráfico.

Sirviéndose de su larga experiencia de trabajo con temas fronterizos, Longmire da vida a la real amenaza que representan los carteles mexicanos que operan no solo por toda la frontera del suroeste, sino también en lo más profundo de todos los rincones de Estados Unidos.

Sylvia Longmire también ofrece soluciones reales a los críticos dilemas que enfrentan México y Estados Unidos, entre ellas programas para impedir que los jóvenes mexicanos se unan a los carteles y cambios en las leyes antidrogas a ambos lados de la frontera.
