Organizational Power Politics: Tactics in Organizational Leadership

Gilbert W. Fairholm

Organizational Power Politics: Tactics in Organizational Leadership Gilbert W. Fairholm

In 1993, when it named the first edition of *Organizational Power Politics: Tactics in Organizational Leadership* an Outstanding Academic Book, *Choice* said, "It contributes to the analysis and discussion of an issue that has, as yet, not received adequate attention." Now this acclaimed book returns in a fully updated new edition that gives readers proven strategies for using power to achieve personal and group objectives in all kinds of contexts—work, social, religious, military, and more.

Based on extensive research, *Organizational Power Politics* looks at important underlying theories about the use of interpersonal power, as well as examples of successful operational approaches in the workplace and elsewhere. At its heart are 22 specific power tactics applicable to a wide range of organizations and situations, complete with activities, self-evaluations, and discussion questions that will help anyone sharpen their power skills. This edition features two new chapters: one that looks at multinational organizations and one focusing on the middle layers of large-scale organizations.

From reader reviews:

Deanna Ratliff:

In this 21st millennium, people become competitive in every way. By being competitive now, people have to do something to make them survive, being in the middle of often the crowded place and notice through surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Yes, by reading an e-book your ability to survive is boosted then having a chance to stay than other is high. For you who want to start reading any book, we give you this particular *Organizational Power Politics: Tactics in Organizational Leadership* book as a nice and daily reading e-book. Why, because this book is greater than just a book.

Micheal Moore:

Reading a publication tends to be a new life style in this era of globalization. With reading through you can get a lot of information that can give you benefit in your life. Having a book everyone in this world can share their idea. Ebooks can also inspire a lot of people. A great deal of an author can inspire all their readers with their story or even their experience. Not only the storyline that share in the textbooks. But also they write about the data about something that you need an example of this. How to get the good score on toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their skill in writing, they also do some research before they write on their book. One of them is this *Organizational Power Politics: Tactics in Organizational Leadership*.

Robert Russell:

Is it you who have spare time and then spend it whole day through watching television programs or just lying down on the bed? Do you need something totally new? This *Organizational Power Politics: Tactics in Organizational Leadership* can be the response, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?

Marlene Clabaugh:

Do you like reading a book? Confused to looking for your best book? Or your book has been rare? Why so many concern for the book? But virtually any people feel that they enjoy to get reading. Some people likes reading through, not only science book but also novel and *Organizational Power Politics: Tactics in Organizational Leadership* or even others sources were given understanding for you. After you know how the truly great a book, you feel need to read more and more. Science book was created for teacher or even students especially. Those publications are helping them to include their knowledge. In other case, beside science e-book, any other book likes *Organizational Power Politics: Tactics in Organizational Leadership* to make your spare time much more colorful. Many types of book like this one.
