Portable Curiosities Julie Koh

A biting collection of stories from a bold new voice. A young girl sees ghosts from her third eye, located where her belly button should be. A corporate lawyer feels increasingly disconnected from his job in a soulless 1200-storey skyscraper. And a one-dimensional yellow man steps out from a cinema screen in the hope of leading a three-dimensional life, but everyone around him is fixated only on the color of his skin. Welcome to Portable Curiosities. In these dark and often fantastical stories, Julie Koh combines absurd humour with searing critiques on modern society, proving herself to be one of Australia's most original and daring young writers.
