Prescott Fire Department (Images of America)

Eric Conrad Jackson

Prescott Fire Department (Images of America) Eric Conrad Jackson

Founded in 1885, the Prescott Fire Department began with four 25-man volunteer companies, the Dudes, the Toughs, the Mechanics Hook & Ladders, and the O.K.s. These 100 men reflected both the common man and the leaders of the region. Over the years, their numbers would include governors-to-be F.A. Tritle and Thomas Campbell, business leaders H.D. Aitken and A.A. "Tony" Johns, and numerous members of the Goldwater family. The department and its community survived the great fire of July 14, 1900, as well as the loss of 19 of its own Granite Mountain Hotshots on June 30, 2013. The Prescott Fire Department would go from a volunteer department to a fully paid department of 80 firefighters, operating out of five stations and covering an area of 40 square miles.

The author explained their thought in the simple way, thus all of people can easily to understand the core of this reserve. This book will give you a large amount of information about this world now. In order to see the represented of the world with this book.

Jim Loop:

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore this Prescott Fire Department (Images of America) can make you really feel more interested to read.
