The Columbo Case Files: Season One (Volume 1) Mr. Paul Hughes

It's not "just one more thing" ... it's the first in a series of new books on "Columbo" starring Peter Falk — perhaps the best known, and certainly one of the best, police procedurals TV has produced. This first book includes all nine episodes of Season One, with comment, analysis, praise, critique, and the great quotations, plus short reflections on Lt. Columbo, and on his place in our culture. All for your further enjoyment of this excellent show. A Kindle version is also available. Please note: This is a slim book — just 80 pages. I priced it as close as I could to what CreateSpace is requiring for a minimum. Future print editions will include multiple Seasons, for the most substantial offering possible. Thank you.
