The Jewish Way in Death and Mourning (Revised and Expanded Edition)

Maurice Lamm

The Jewish Way in Death and Mourning (Revised and Expanded Edition) Maurice Lamm

For over thirty years Jews have turned to Rabbi Maurice Lamm's classic work for direction and consolation. Selected by The New York Times as one of the ten best religious books of the year when it was first published in 1969, *The Jewish Way in Death and Mourning* leads the family and friends of the deceased through the most difficult chapter of life—from the moment of death through the funeral service, the burial, and the various periods of mourning.

Now, in this thoroughly revised and expanded edition, Rabbi Lamm explores a wide range of new issues and questions that Jews of the twenty-first century must address. Special consideration is given to the subjects of organ donation, autopsy, the question of a woman's right to say Kaddish, mourning practices as they relate to the stillborn, the permissibility of converts to Judaism to mourn their Gentile parents, and the bereavement rights of individuals who by Jewish law are not required to mourn but who nonetheless wish to express their grief in accordance with Jewish tradition.

In addition to exploring the sensitive issues that the contemporary mourner must confront, *The Jewish Way in Death and Mourning* is remarkable in that it gently leads the mourner through the corridors of Jewish law and teaches the aching heart how to express its pain in love and respect so that it might begin on the road to eventual healing.

Chester Hassel:

Many people spending their time frame by playing outside having friends, fun activity using family or just watching TV all day every day. You can have new activity to invest your whole day by examining a book. Ugh, think reading a book can definitely hard because you have to accept the book everywhere? It ok you can have the e-book, bringing everywhere you want in your Smart phone. Like The Jewish Way in Death and Mourning (Revised and Expanded Edition) which is getting the e-book version. So , why not try out this book? Let's observe.

Bonnie Vassallo:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Jewish Way in Death and Mourning (Revised and Expanded Edition)

can make you feel more interested to read.
