The Portable Router Book R. J. De Cristoforo

This book covers portable router techniques, products and accessories. Now in its second edition, new information has been added on a sophisticated pin routing jig, a chisel for squaring hinge mortise corners, an easy-to-make gauge for setting bit projection, "mat" material for securing small pieces and a simplified technique for making dovetail slots. A section on how to complement router work with a drill press has also been added.
