Constantine the Emperor David Potter

No Roman emperor had a greater impact on the modern world than did Constantine. The reason is not simply that he converted to Christianity, but that he did so in a way that brought his subjects along after him. Indeed, this major new biography argues that Constantine's conversion is but one feature of a unique administrative style that enabled him to take control of an empire beset by internal rebellions and external threats by Persians and Goths. The vast record of Constantine's administration reveals a government careful in its exercise of power but capable of ruthless, even savage, actions. Constantine executed (or drove to suicide) his father-in-law, two brothers-in-law, his eldest son, and his once beloved wife. An unparalleled general throughout his life, planning a major assault on the Sassanian Empire in Persia even on his deathbed. Alongside the visionary who believed that his success came from the direct intervention of his God resided an aggressive warrior, a sometimes cruel partner, and an immensely shrewd ruler. These characteristics combined together in a long and remarkable career, which restored the Roman Empire to its former glory.

Beginning with his first biographer Eusebius, Constantine's image has been subject to distortion. More recent revisions include John Carroll's view of him as the intellectual ancestor of the Holocaust (*Constantine's Sword*) and Dan Brown's presentation of him as the man who oversaw the reshaping of Christian history (*The Da Vinci Code*). In *Constantine the Emperor*, David Potter confronts each of these skewed and partial accounts to provide the most comprehensive, authoritative, and readable account of Constantine's extraordinary life.

Maybe you answer could be Constantine the Emperor why because the great cover that make you consider with regards to the content will not disappoint you. The inside or content is definitely fantastic as the outside as well as cover. Your reading 6th sense will directly assist you to pick up this book.

Edward Stevenson:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's internal or real their interest. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Constantine the Emperor can make you really feel more interested to read.
