The Cambridge Companion to the Bible (Cambridge Companions to Religion) Howard Clark Kee, Eric M. Meyers, John Rogerson, Amy-Jill Levine, Anthony J. Saldarini

The Cambridge Companion to the Bible, 2nd edition provides in-depth data and analysis of the production and reception of the canonical writings of the Hebrew Bible and New Testament, and also of the apocryphal works produced by Jewish and Christian writers. Unique among single-volume introductions, this book focuses on the ever-changing social and cultural contexts in which the biblical authors and their original readers lived. The authors of the first edition were chosen for their internationally recognized expertise in their respective fields: the history and literature of Israel; postbiblical Judaism; biblical archaeology; and the origins and early literature of Christianity. In this second edition, all chapters have been updated and thoroughly revised, under the direction of a new volume editor, Bruce D. Chilton. More than 22 new maps, 90 new photographs and a full-color section help illustrate the book.
