The Pacific Crest Trail: A Hiker's Companion

Karen Berger, Daniel R. Smith

The Pacific Crest Trail: A Hiker's Companion Karen Berger, Daniel R. Smith

A narrative field guide to the unique plants, animals, history, and landscapes of the 2,650-mile Pacific Crest Trail.

For many people, the Pacific Crest is the ultimate long-distance hiking trail. Beginning in the dry valleys of southern California, it follows the crest of the snow-capped Sierras, and ends in the ancient forests of Washington's Cascades. Along the way, national treasures such as Yosemite, Crater Lake, and Mount Rainier make this trail one of the premier hiking destinations in the world. But hiking is about much more than getting from A to B. This book begins where basic trail guides and maps leave off. For each section of the trail, the authors describe the route in detail and recommend the best day hikes and short backpacks from each trailhead. They describe the plants and animals hikers will see, tell stories about local history, explain plate tectonics, and in a thousand other ways enrich the experiences of the journey. In addition, Berger and Smith draw on their tremendous experience—together, they have logged more than 12,000 miles on the PCT—to give tested advice to long-distance hikers on trip planning, gear and safety, seasonal considerations, trailheads and resupplies, permits, and much more. Color photographs and illustrations, 20 maps.

From reader reviews:

Arthur Atwood:

Have you spare time for a day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity with regard to spend your time. Any person spent their very own spare time to take a go walking, shopping, or went to typically the Mall. How about open or maybe read a book entitled The Pacific Crest Trail: A Hiker's Companion? Maybe it is to get best activity for you. You understand beside you can spend your time together with your favorite's book, you can wiser than before. Do you agree with it has the opinion or you have other opinion?

Albert Shepherd:

Playing with family within a park, coming to see the marine world or hanging out with friends is thing that usually you will have done when you have spare time, after that why you don't try matter that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Pacific Crest Trail: A Hiker's Companion, you could enjoy both. It is great combination right, you still would like to miss it? What kind of hang-out type is it? Oh seriously its mind hangout folks. What? Still don't have it, oh come on its known as reading friends.

Clarence Jenkins:

With this era which is the greater individual or who has ability to do something more are more precious than other. Do you want to become certainly one of it? It is just simple solution to have that. What you have to do is just spending your time very little but quite enough to enjoy a look at some books. One of several books in the top listing in your reading list is The Pacific Crest Trail: A Hiker's Companion. This book which can be qualified as The Hungry Hillside can get you closer in turning into precious person. By looking way up and review this reserve you can get many advantages.

Raymond Nelson:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's spirit or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Pacific Crest Trail: A Hiker's Companion can make you truly feel more interested to read.
