*Is Jason Jordan really who he says he is?
Everything in Nicki's life depends on the answer...*

Oregon, 1887

When her husband dies in a mysterious riding accident, Nicki Trent is left with a toddler and a rundown ranch. Determined to bring her ranch back from the brink of death, Nicki hires handsome Jason Jordan to help. But when William, her neighbor, starts pressing for her hand in marriage, the bank calls in a loan she didn't even know about, bullets start flying, and a burlap dummy with a knife in its chest shows up on her doorstep... Nicki wonders if this ranch is worth all the trouble.

To make matters worse, terrible things keep happening to her neighbors. When her friend's homestead is burned to the ground and William lays the blame at Jason's feet, Nicki wonders how well she knows her new hand - and her own heart.

A desperate need. Malicious adversaries. Enticing love. Step into a day when outlaws ran free, the land was wild, and guns blazed at the drop of a hat.
