How to fill what's left of your day. How to fill the rest of your days. Sick buckets, bucket rattling, bucket lists, buckets of love.

Wry, emotive, funny and heartfelt, *buckets* is a play with a unique perspective on a universal dilemma: how do you deal with the fact that time always runs out?

Across thirty-three interconnected scenes – some just a few lines, others mini-plays in their own right – *buckets* swings through a kaleidoscopic world of sadness and happiness, illness and health, youth and experience, kissing and crying, singing and dying.

Adam Barnard's open-ended text can be performed by any number and composition of actors.

buckets premiered at the Orange Tree Theatre, Richmond, in May 2015.
