Featuring 18 fashionable patterns that take crochet into new territory, this beginner-friendly book of projects dispels the "unhip" reputation of crochet with designs that are edgy and stylish. Projects include jewelry, thigh-high stockings, retro bags, scarves, sweaters, shrugs, camis, and home décor objects, exploring color, texture, design, embellishment, and how to customize patterns to fit personal style. Basic crochet techniques are covered along with tutorials on sizing, design, and special techniques. Up-and-coming designers are profiled throughout the book to give an entertaining and inspiring insight into this new generation of crocheters, what inspires them, how they find community with other crocheters, and creative ideas for breaking the rules and representing their individual crochet style.
