San Diego's vibrant multi-cultural history is a boon to travelers and a great opportunity for kids to learn about California's unique story. The world class San Diego Zoo anchors this seaside community and its wealth of museums, monuments, parks and beaches. Your family will be impressed by the daring maneuvers of surfers in the sea and world-class Navy pilots in the sky as helicopters and jets fly overhead. This book brings all of the city's excitement to life!

Destinations include: The Beach, Mission Bay, Cabrillo Monument, Maritime Museum, Seaport Village, Tide Pool, Old Town, Balboa Park, Bazaar Del Mundo, New Children's Museum, San Diego Zoo, Corvette Diner, Special San Diego Meals and more!

A family vacation to San Diego will be even better with a Jr. Travelers Series book. This is a trip you and the kids will never forget. Each Jr. Travelers Memory Book contains activities tailored to specific destinations or themes. While visiting each destination, your child collects items, answers trivia, writes stories, finds objects, or does something particular to that location. As he or she completes each activity, your child will accumulate a collection of items, artwork, stories, and mementos. Some of these are preserved by writing or taping them directly onto the pages of the Memory Book. By simply completing each fun activity during a family outing, your child transforms their "activity book" into a Memory Book that lasts a lifetime.
