La historia y su memoria: Entrevista(s) con el historiador Moisés González Navarro (Colección Testimonios) (Spanish Edition) Guillermo Zermeño

Esta es la historia de un historiador contada por él mismo, fruto de una serie de entrevistas y conversaciones realizadas entre el 12 de agosto de 2004 y el primero de febrero de 2007. Se exhibe la trayectoria de un profesional inseparable de los avatares de El Colegio de México desde sus inicios. De los historiadores queda su obra, pero no sus pormenores; esas pequeñas anécdotas que atraviesan su labor en medio de una red de instituciones y colegas. Al reconocer que el tiempo del historiador tiene también una historia por contarse, se sabe que lo vivido no se corresponde exactamente con el tiempo de la historia relatada en su obra.
