Population Dynamics in Muslim Countries: Assembling the Jigsaw

Population Dynamics in Muslim Countries: Assembling the Jigsaw

The book discusses the demographic changes in Muslim countries. It thereby focuses on topics such as the demographic dividend and the demographic transition, labour market challenges, health care, universal education and gender issues. These challenges are addressed at a country level and include policy implications for the large majority of the Muslim countries covered in this book. Moreover, political consequences for Europe with respect to the integration of Muslims are presented to the reader.
