The Loonliness of a Deep Sea Diver: David Harrison Beckett, My Autobiography

David Harrison Beckett, Paul Zanon

The Loonliness of a Deep Sea Diver: David Harrison Beckett, My Autobiography David Harrison Beckett, Paul Zanon

Imagine living in a box at the bottom of the sea for a month at a time. Locked away in a saturation chamber, plumbed to depths of more than 500 feet, this has been David Beckett's love, life, and work for all his adult life. He brushed with death on more than one occasion—such as when called in to assist when the MS *Estonia* sank in the Baltic Sea in 1994 and claimed 852 lives. Among the depths of despair, there are lighter moments, including treasure hunting in the Philippines, almost clinching a contract to salvage the bursar's safe from the *Titanic*, and surviving a 24-hour typhoon which brought 80-foot waves crashing down on his boat. *The Loonliness of a Deep Sea Diver* is gritty, sometimes comical, and offers a unique glimpse into a life at sea, much of it at the bottom.
