Treasonous Behavior: In The Beginning

Robert A. Johnson

Treasonous Behavior: In The Beginning Robert A. Johnson

"Bad things happen when good men do nothing." This prophetic warning by Founding Father Thomas Jefferson prompts Cody Gordon, a small town college history professor, to react. America is under attack, stricken by a planned nuclear explosion which triggers a silent, but deadly electromagnetic pulse encompassing the entire nation. Millions of citizens are kidnapped and imprisoned in secret FEMA concentration camps while untold numbers of Americans are boldly tortured and brutally murdered. Cody and his 'crazy conspiracy theorist' friend, Raz Hunter, must struggle against traitorous armies hell bent on conquering the United States. Their purpose in life is to save their loved ones, to defeat the rogue soldiers and turncoat political leaders, and to stop the treasonous behavior. "Somebody should do something about this!" Cody keeps repeating. Finally, now somebody does.
