For centuries, warranties have played a significant role in the law of marine insurance and have recently sparked debate on a national and international level after calls for reform. This second edition includes a more involved analysis of law reform as well as a discussion of the recent proposals of the Australian Law Reform Commission.

Soyer lucidly analyzes the legal remedy available when a marine insurance warranty is breached as well as setting out the current law on marine insurance warranties. This new edition also includes:

- a new section on the impact of the International Ship and Port Facility Security Code (ISPS Code)
- reference to numerous decisions recently handed down by the courts eg. *HIH Casualty and General Insurance Ltd. v. New Hampshire Co.* and *Agapitos v. Agnew (No. 2)*
- a more in-depth discussion of the position in other commonwealth jurisdictions, specially Australia and Canada.
