Bilingualism: Beyond Basic Principles (Multilingual Matters)

Bilingualism: Beyond Basic Principles (Multilingual Matters)

The nine original papers in this volume have been written by international experts and deal with individual bilingualism, societal and educational phenomena, addressing issues such as bilingual usage, acquisition, teaching, and language planning and policy. The volume's major asset lies in its diversity of topics and in the range of languages and geographical regions covered. The perspective adopted is multidisciplinary, including linguistics, sociolinguistics, psychology, and applied linguistics.
