## **Deimos Tenth Anniversary Special** Patrick Fillion

Ten years ago, way back in 2004, Patrick Fillion created Deimos. To celebrate a decade of our scruffy Taro Demon, we've recruited artists Logan, Jacob Mott, Leon de Leon, Eric Mars, Butch McLogic and Patrick Fillion to create an awesome collection of wicked stories and art.

Logan wrote and illustrated a short story called Gab in which Deimos meets a disgruntled angel freshly fallen from Heaven.

Written by Fillion, and illustrated by Jacob Mott, Cardinal's Sin demonstrates that perhaps Deimos guardian angel Cardinal doesn't find him so reprehensible after all.

Written by Fillion and illustrated by Leon de Leon, Life is But a Dream is a tale in which a Mirage Demon attempts to make Deimos forget he's fighting a war by making him believe he's a massively successful porn star living a normal life in a war-free world.

And finally, because YOU DEMANDED IT, the hugely popular Dead of Winter short story by Patrick Fillion is also included in this book, in print for the very first time ever.

All of this plus incredible Deimos pin-ups by tremendous talents such as Butch McLogic and Eric Mars make this a celebration you simply CANNOT miss!

If you love Deimos as much as we do, the DEIMOS: TENTH ANNIVERSARY SPECIAL is as much a gift for you as it is one for Deimos. This exciting volume is a wicked tribute to one of Class Comics most recognizable and iconic characters. It features tons of new art and features four tales that will knock your socks off.
