Hopper's Destiny (Mouseheart Book 2) Lisa Fiedler

A brave mouse attempts to rebuild a fallen empire in this second book of the epic animal adventure series set in the subway tunnels of Brooklyn, for “fans of Erin Hunter, Brian Jaques, and Kathryn Lasky” (*School Library Journal*).

The battle to free Titus’s camps is over, and Hopper, Zucker, Firren, and their loyal followers are working to rebuild. But the tunnels are in a state of chaos, and without the sinister peace accord to protect the rodents, Queen Felina and her growing army of ferals is a greater threat than ever before.

In the M’s Village, Pinkie has led a coup and is now ruling with an iron paw. And Pup has become cold and defiant, a change that Hopper never saw coming.

When exterminators raid the tunnels, Hopper is snatched away by the intruders and taken back up to the daylight world where he was born.

Upland, Hopper makes new allies, and as he enjoys the sights and sounds of Brooklyn, he wonders if he will ever make it back into the tunnels to restore safety and prosperity, as foretold by La Rocha’s prophecy.

But why should Hopper fulfill a destiny he never wanted in the first place?
